(hereinafter referred to as the "Vendor")

AND

Client / Company Name: ……..

TIN: ……

Address: ……

Phone: ……

Email: ……..

Website: …….

Represented by (Name & Title): ……..

(hereinafter referred to as the "Client")

The Vendor and the Client may each be referred to individually as a "Party" and collectively as the "Parties".

2. Product

The Vendor agrees to supply, install, and support the following software product (the "Product") for the Client, on a one-time purchase basis:

- Product Name: Smart Loan Pro — Loan Management & Accounting System
- Loan Management: customer/borrower management with KYC, loan application/approval/rejection workflow, disbursement, loan product management, interest and repayment schedules, restructuring/refinancing/renewal/closure, credit assessment and risk scoring, guarantor and collateral management, repayment processing, interest and penalty calculation, collections and recovery, SMS and email payment reminders.

- Accounting & BNR Regulatory Reports: general ledger, chart of accounts and journal entries, trial balance, balance sheet and income statement, cashbook and bank reconciliation, cash flow statement, BNR loan classification reports (Sections A-D), BNR balance sheet and income statement reporting, off-balance sheet and written-off loans reporting, provisioning per BNR Regulation No. 96/2026, and one-click Excel export for quarterly submission.
- Staff, Branch & Security: multi-branch and staff management, role-based access control, audit logs and activity tracking, data encryption and backup/recovery.
- Dashboards & Reporting: executive and loan portfolio dashboards, collection and accounting dashboards, investor/shareholder reporting, and 20+ report types.
- Included at no extra cost: free lifetime support, free lifetime upgrades, free staff training, a free business website, free hosting guidance, and free domain & email setup guidance.

3. Nature of Purchase

This is a one-time software purchase. There are no recurring monthly or annual subscription fees for continued use of the Product. The Client shall own and retain full rights to its own data generated and stored within the Product, subject to the license terms in Section 7.

4. Price and Payment Terms

The total purchase price for the Product is . One Million , Five hundred Thousands Rwandan Francs (RWF 1,500,000), payable in two (2) installments as follows:

Installment	Amount (RWF)	Due Date
1st Installment (upon signing)	500,000 RWF	Upfront
2nd Installment (final)	1,000,000 RWF	When software is deployed and go-live after pilot testing

Payments shall be made by bank transfer / mobile money / cash) to the Vendor's designated account, details of which shall be provided in writing. All amounts stated are exclusive of applicable taxes unless otherwise indicated.

5. Delivery, Installation & Training

The Vendor shall deliver, install, and configure the Product for the Client within 2 days of receipt of the 1st installment. The Vendor shall provide free training to the Client's designated staff until they are reasonably comfortable operating the system, as further described in Section 2.

6. Support, Upgrades & Maintenance

The Vendor shall provide free lifetime technical support and free lifetime system upgrades for the Product, subject to the Client remaining in good standing under this Agreement (i.e., having paid all amounts due). Support shall be available during the Vendor's stated business hours (Mon-Fri, 9:00 AM - 9:00 PM) and through the contact channels listed in Section 1, unless otherwise agreed in writing.

7. License and Data Ownership

Subject to full payment of the purchase price, the Vendor grants the Client a perpetual, non-exclusive, non-transferable license to use the Product for the Client's internal business operations. The Client owns all data it enters into or generates through the Product. The Vendor shall not access, use, or disclose the Client's data except as necessary to provide support services, or as required by law.

8. Confidentiality

Each Party agrees to keep confidential all non-public business, technical, and financial information disclosed by the other Party in connection with this Agreement, and shall not disclose such information to third parties without prior written consent, except as required by law.

9. Warranties

The Vendor warrants that it has the right to license the Product to the Client and that the Product shall perform substantially in accordance with the features described in Section 2. The Vendor does not warrant that the Product will be error-free or uninterrupted, but shall use reasonable efforts to promptly correct any material defects reported by the Client.

10. Limitation of Liability

To the maximum extent permitted by Rwandan law, neither Party shall be liable to the other for any indirect, incidental, special, or consequential damages arising out of or related to this Agreement. The Vendor's total liability under this Agreement shall not exceed the total amount paid by the Client under this Agreement.

11. Term and Termination

This Agreement takes effect on the Effective Date and remains in force for as long as the Client uses the Product, subject to the payment obligations herein. Either Party may terminate this Agreement in the event of a material breach by the other Party that remains uncured for 60 days after written notice. Termination for the Client's non-payment shall not entitle the Client to a refund of amounts already paid.

12. Governing Law and Dispute Resolution

This Agreement shall be governed by and construed in accordance with the laws of the Republic of Rwanda. Any dispute arising out of or in connection with this Agreement shall first be resolved through good-faith negotiation between the Parties. If unresolved within 21 days, the dispute shall be referred to courts for final resolution.

13. Refund Clause

If the system fails to perform substantially in accordance with the aggreed specifications the client shall be entitled to a refund of the advance payment made under this aggreement

14.Implementation Plan & Timeline

Phase 1 : Kickoff & requirements gathering

Phase 2 : Installment & setup
Phase 3 : Data migration & Training
Phase 4 : Pilot Testing
Phase 5 : Go live

15. General Provisions

- Entire Agreement: This Agreement constitutes the entire agreement between the Parties regarding its subject matter and supersedes all prior discussions or agreements, whether oral or written.
- Amendments: Any amendment to this Agreement must be made in writing and signed by both Parties.
- Severability: If any provision of this Agreement is held invalid or unenforceable, the remaining provisions shall continue in full force and effect.
- Notices: All notices under this Agreement shall be sent to the contact details listed in Section 1.
- Assignment: Neither Party may assign this Agreement without the prior written consent of the other Party.

16. Signatures

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the Effective Date written above.
